## **ORDER OF DISMISSAL FOR FAILURE TO PROSECUTE**

No. , the Court noted that plaintiff Romeo Jones had failed to file an opposition to the motion to dismiss, extended his time to respond and warned him as follows:

**Failure to file an opposition by that date will result in dismissal of this lawsuit for failure to prosecute.**

As of the date of this Order, plaintiff Romeo Jones has not filed any additional documents. The Court notes that it previously issued two orders to show cause re: dismissal for failure to prosecute in this action, due to plaintiff's failure to pay filing fees and to file proof of service of summons timely.
